

We are taking our learning and schools to new heights! #HereWeGrow and we need your input! Wellington Catholic District School Board is currently creating a Long Term Accommodation Plan. This plan will help us prioritize which new projects we request funding for from the provincial government. These projects could include new schools, additions, attendance boundary changes, school closures or consolidations and partnerships.

We need your input to ensure that any new projects we undertake reflect what is important to our community, provide the best possible learning environment for our students and are informed by our Catholic values.

Please share your thoughts and then rate the thoughts of others. Your ideas and ratings will give us a better understanding of what you feel is important as we work on our new Long Term Accommodation Plan. You can share your thoughts anonymously by accessing the exchange via the link below:

<https://my.thoughtexchange.com/#754535382> or

Text the 9-digit code 754-535-382 to the phone number 728-55 to get a link to participate in this exchange. If you participate by SMS, message and data rates may apply. You may receive around 10 messages a minute while participating, and up to 3 messages total to keep you up-to-date with this exchange. Text STOP to opt out or HELP for help.
